Flea checklist

- ✓ Take your pet to the veterinarian to be treated before or during our visit. Your pet can't come back into the house until 4 hours after we leave.
- ✓ Wash your pets' bedding in hot water and dry in the dryer, if possible.
- ✓ Wash all sheets in hot water.
- ✓ Remove all toys, pillows, clothes, etc. from the floor, especially under beds and on closet floors. We need access to as much carpet as possible.
- ✓ THOROUGHLY vacuum all carpets and rugs, especially where the floor meets the wall.
- ✓ THOROUGHLY vacuum all sofa and chair cushions (all sides).
- ✓ IMMEDIATELY take the vacuum outside, remove the bag, and either burn it or seal it in a plastic bag in a garbage container away from the house.
- ✓ Remove all pets from the home.
- ✓ If you have a fish tank, unplug the motor (it will not be necessary to remove the fish).fish).
